Karen Woolley, hobby farmer and founder of Music for Moppets, will visit your school for a **special circle time** with classic songs and rhymes around a farm theme. From finger plays to action songs, your students will enjoy the **first block of 30-minutes** right in the familiarity of their classroom. Be ready for **sing-a-long** favourites like: I Had A Rooster, B-I-N-G-O, Six Little Ducks, and more. Finger plays, rhymes and songs will round out the visit.

After a brief introduction of the baby animals visiting that day, **the second block of 30 minutes** allows the children to **gently handle them**. Children will watch as a baby duck swims, they can inspect the beaks and feet of the chicks to understand how they forage for food, and feel the soft fleece of our bottle fed lamb - **learning about life on a hobby farm**.

Fees include travel costs plus the **30-minute circle time** and the **30-minute critter visit**. Due to the delicate nature of the baby animals, we must limit the class size to a maximum of 30 children plus support staff.

Limited dates available are booking now for **May & early June 2012**. **\$140 per 1-hour session**. Schools with multi-kindergarten classes on the same day are encouraged to book **back-to-back sessions starting at \$260**.

BOOK NOW! Have baby ducks, chicks and a lamb
join your class for a special visit.

The above pricing is for **Peterborough County ONLY**. Please contact us for bookings and pricing in other areas including **Metro Toronto**. When booking your session be sure to order your **Music For Moppets CD** for \$10 each (a collection of traditional and original songs & rhymes - a great resource for classrooms)
